Opening Hymn: TFWS 2227
We Are the Body of Christ

Unison Prayer: God of truth and grace, draw us back to Your Word and shape our lives by Your Spirit. Teach us to love You fully and to love our neighbor with a holy love that guides and restores. Keep us from bending Scripture to fit our desires, and lead us to the center You have given. Reform our hearts, renew Your church, and make us faithful to Your truth. Amen.
